5 PARTICIPANTS

38 INTERNATIONAL STUDENTS

Fall 2018

2 UNDERGRADUATE
In 2 Fields of Study

11 GRADUATE
In 9 Fields of Study

FIELDS OF STUDY
Agricultural and Resource Economics
Economics
Food Science

German
Horticulture and Agronomy
Integrative Genetics and Genomics
Performance Studies
Population Biology
Soils and Biogeochemistry

24 NON-DEGREE

1 OPTIONAL PRACTICAL TRAINING

72 INTERNATIONAL SCHOLARS

2017-18
In 40 Fields of Study

TOP FIELDS OF STUDY
Chemical Engineering and Materials Science, 4
Land, Air and Water Resources, 4
Plant Sciences, 4
Biomedical Engineering, 3
Earth and Planetary Sciences, 3

OTHER AREAS REPRESENTED
Agricultural and Resource Economics
Animal Science
Biological and Agricultural Engineering
Center for Mind and Brain
Center for Neuroscience
Civil and Environmental Engineering
Computer Science
Electrical and Computer Engineering
English

1 HUBERT H. HUMPHREY FELLOW
The Hubert H. Humphrey Fellowship Program is a selective program that brings accomplished mid-career professionals, with a commitment to public service, from countries with developing and emerging economies to the United States for one year of non-degree study and practical professional development.
